Be Competitive and Win More Work!

Are you having a hard time finding the right estimator? Do you have a Journeyman that you think may be the right person but you are not sure? Send him/her to this *Introduction to Electrical Estimating* course. This will be a good way to find out if they are interested and if they have what it takes. Al Bellefleur of Division 16 Electrical Estimating, LLC will provide:

- * Information pertaining to Residential Estimating.
- * A beginners class with hands on take-off from start to finish.
- * An introduction to Computerized Estimating.
- * All that is needed to complete an estimate.
- * An evaluation of your attendee upon request.

A copy of the Power Point presentation and a booklet is included in the registration fee.

Registration is required. Please register through our website, call the office to register over the phone with a credit card or fax this completed form. Registrations will be accepted until the class is full or through 10/16 whichever comes first. Cancellations after 10/10 and no shows will not be refunded.
